LinkedIn: www.linkedin.com/in/davidsantosferreira GitHub: github.com/DiSantoz
Portfolio: https://disantoz.github.io/dferreira/

Full-stack web developer with a background in account management, security, and client relations. Motivated to build new and exciting applications alongside a team of individuals who share an equal passion for technology. Loaded with an arsenal of skills from working in the law and accounting sector. Equipped with the ability of accurately retaining information, effective time management, and a sharp attention to detail has enabled me to develop several projects. Excited to continue to learn, further develop my skill set, and display my creativity for all to see.

EXPERIENCE

President Container Group   **2020-Present**
Accounts Receivable   **Moonachie, NJ**
Secure payment from customers for goods and services and record accurate transactions accordingly.
Key Accomplishments:
- Responsible for over one-hundred accounts and maintaining accurate accounting files.
- Collaborated with upper management on delinquent payments or irregularities in order to resolve account balances.

- Assisted other departments in correctly posting funds to accurately reflect customer's account records in a fast-paced environment.

Smotritsky Law Group   **2018- 2020**
Paralegal   **Newark, NJ**
Assisted three attorneys' in preparing court documentation and completing applications for clients to receive legal status in The United States.
Key Accomplishments:
- Successfully assisted over forty clients in receiving legal status in The United States in a relatively quick time frame.
- Coordinated with attorney's on analyzing and gathering missing information for client's court cases.
- Given top-priority cases due to being a fast-paced employee while still remaining accurate and efficient with client files.
- Act as a translator for Portuguese speaking clients for the three attorneys.

Rutgers University   **2017- 2018**
Parking Enforcement/Security   **New Brunswick, NJ**
Worked alongside Rutgers Police Department in safe keeping the students and staff of Rutgers University.
Key Accomplishments:
- Enforced 50 Rutgers parking lot rules by monitoring and issuing parking summons to deter criminal activity.
- Completed daily reports that included suspicious activity, and building checks which were used to create crime wave data.
- Communicated with dispatch and Rutgers Police Department to correctly report any safety concerns among Rutgers Campus and the neighboring city.
